Welcome Back

Welcome back to the final term of this academic year, which seems to have gone by in a flash. We hope you all had a good break. We are delighted to see everyone return safely to school after the holiday, as always the children are happy to be back in school and to continue with their learning. We have a really busy term ahead with various visits, trips and events planned.

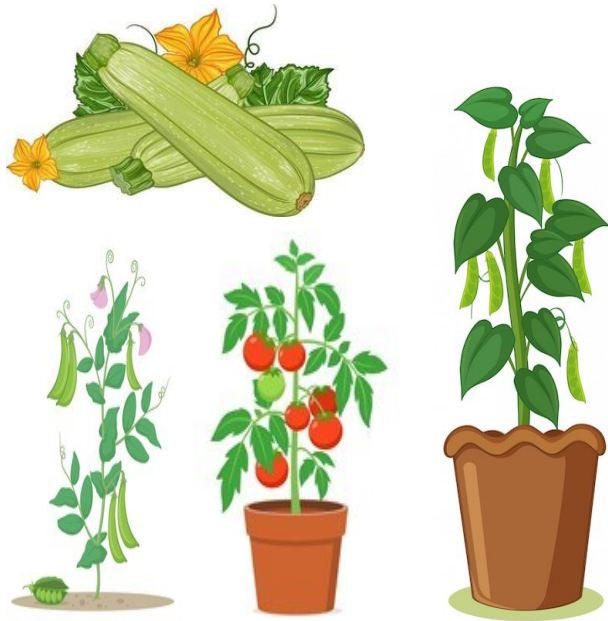

Assembly Performance

Today students got to watch our first Coppice Show, Romeo and Juliet from the Enrichment Performing Arts group. All the students had worked very hard learning their lines, acting, and singing. They all worked well together helping each other in all aspects of the performance. We are so proud of all our students at the Coppice. Well done you are amazing!

Outdoor Plant Donations

We are asking for outdoor plant donations. Any healthy spare vegetable plants, would be gratefully accepted. We are desperately in need of tomatoes, peas, beans or courgettes. We will be using them during our Enrichment lessons to help create greener areas around the Academy and increase our chances of winning Gold in Newcastle in Bloom.

Curriculum Content Documents

Curriculum Content Documents have been sent via Parent Mail on Monday for your child's class for this term.

Issue of the week

The week beginning 10th June we will be discussing the following Issue of the Week during tutor time.

THIS WEEK'S BIG QUESTIONS

Should accent be a protected characteristic?

- Can you think of any words and phrases that are from your local area?
- How many different accents do you hear in your daily life?
- Should there be a greater variety of accents on television?
