'Grow in the Grace and Knowledge of our Lord Jesus Christ' 2 Peter 3: 18

Our 150th celebrations continued...

Just in case you haven't yet seen the fantastic drone photograph taken during our celebration week 😊

I am also delighted to share with you that this week we heard that we have been successful and received the Social Impact Award.

Throughout the year school have engaged with a wide range of activities. The 'Social Impact Schools Award' celebrates and showcases schools' commitment to having a social impact and provides formal recognition of those schools placing social action and charity-work at the heart of their education.

There are 12 categories of social action which children have been encouraged to take, whether as a class or as part of the school council, eco squad or antibullying ambassadors.

Staffing and Governor update

As we draw towards the end of the summer term, I wanted to update you and offer some sincere thanks for all their service and continuous support. Mrs Noblet who has been part of the school family for 16 years will be leaving us to spend quality time with her family and continue to develop her amazing art and crafts. We will miss Mrs Noblet very much and wish her much happiness. We also wish Miss Gardner much success and happiness as she moves onto pastures new. Miss Gardner takes up a new teaching assistant position. We will also miss her very much. I know they will both keep in touch with us.

Following 20 years of serving as a governor, 18 of those years as Chair of Governors, we offer our heartfelt thanks to Mr Coulson who is stepping down as Chair of Governors. He will continue to serve the governing body and will support the transition for the new Chair until September 2025. We welcome Mrs Gregson as the new Chair of Governors.

There are currently two vacancies on the governing body. If you are interested in serving the school as a governor then, do, please contact school.
