A big well done to all the children this week

Winning Team

Birkacre also known as the 'Green team' collected the most points last term. School council have chosen as a treat for all the team members across school, a drink of hot chocolate and extra playtime. This will take place on Tuesday 18th January. Team points are collected for a whole range of reasons- very well done to those children in Birkacre!

Funds raised

We have raised a brilliant £695 for school funds through the commission from the School photographs and Cauliflower Christmas cards. *Sincere thanks for all your support and purchases!*

Uniform reminders for P.E.

All children should have a plain white t-shirt, black shorts and P.E. pumps in school ready for their lesson. Trainers can only be worn for outside games lessons; black pumps are required for indoor P.E. such as gymnastics and dance.

The 'walking bus' is back on!

Well done to the small group of children who joined the first walking bus of 2022. The staff will meet you at Coppull police station from 8.25am each Wednesday morning. Please assume the walking bus is taking place unless you receive a text to cancel.

PTFA

The PTFA are meeting at 6.30pm on **Thursday 20th January**. The meeting is to organise and confirm any events and activities for the duration of the spring and early summer term. You are most welcome to attend.

Covid19

A message for parents and guardians from Dr Sakthi Karunanithi

From January 11, people in England who test positive with a lateral flow device (LFD) won't be required to take a confirmatory PCR test. This is another temporary measure while Covid-19 rates remain high across the UK. Because the rates are so high, the vast majority of people with positive LFD results can be confident they have the virus. If your child or anyone in your household tests positive, make sure you follow the Government's Stay at Home guidance.

A message from the DfE

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.
