Kung Hey Fai Choi

This morning in worship we continued to think about the value of 'Community' and we also explored Chinese New Year. Ask your child which animal is the year of 2020- see if they can remember!

Bird Watch

Well Spring time bird watch has started... did you manage to do any bird spotting this weekend?

Which birds did your children spot?

Don't forget to send your results into school on the form which came home Friday.

'Kids can Cook'

Our new after school cooking club launched last week. Children explored the foods that make up a healthy plate and started to design their dishes they would like to make for the upcoming weeks. Please don't worry if your child didn't get a place this time, the club will continue with a new group of children from the 10th March. It is great to see so much interest!

Packed Lunches

Sometimes parents and children run out of ideas for attractive yet nutritious lunches. The following contains some lunch box suggestions. Please avoid sugary fillings on sandwiches and try to reduce the number of chocolate bars.

Children are encouraged to have something filling (such as a sandwich or a wrap) as part of their lunch.

Other suggestions may include sausage roll; rice cakes; crackers and cheeses or piece of quiche. A little tub with potato salad/ fruit salad/ pasta salad/ celery/ carrot sticks with dip.

Small pieces of fruit are also encouraged.

Drinks for lunch time can include water; flavoured water or fruit juice

****Due to serious allergies please could we ask that foods containing nuts are not brought into school****

Gymnastics

A huge well done to our class 4 gymnastics team. Six children went along and competed with great enthusiasm and sportsmanship. They were wonderful ambassadors for our school. Well done to Isabella for achieving a silver medal and to both the gymnastic team and to the individual floor gymnasts- a great effort all round.

PTFA
