Five ways to wellbeing

Children's Mental Health week 7-11th February

Our daily curriculum continues to ensure that children are given the opportunity to develop their social, emotional, physical and mental health by being encouraged to connect; take notice; be active and to keep learning. The theme this year is 'Growing Together'. On

Friday 11th February children may choose to wear a scarf to school, this links with the learning from the Coram Life Education who visited school recently and links with the values of SCARF:

Safety, Caring, Achievement, Resilience, Friendship

YOUR HELP IS NEEDED... Continuing with the 'Growing Together' theme and giving children the opportunity to 'discover a new interest' we would like to offer a careers afternoon on **Friday 25th March from 1.15pm until 3.15pm**. We are looking for any parents or family members who have or had an interesting profession and would be willing to come into school to have a chat, share some resources linked to the career and answer some questions from the children. If you are available and can offer some time in school then please contact school.

School day

A polite reminder that the **school gates open at 8.45am and close promptly at 8.55am**. Throughout this half term we are seeing an increase in numbers of children who are arriving late for school. Please try to ensure your child arrives in time for school so that they are prepared and not rushed or missing the start of a lesson. If your child is sick and absent then please contact school as soon as possible regarding any absence.

Big Garden Birdwatch

Remember it is that time of year again for us to join in the Big Garden Birdwatch taking place this weekend (29th / 30th January). Please use the following link to register for free access to the picture guide and tally sheet. Submit the information online and please let us know if you have managed to take part. We hope you enjoy the bird spotting!
