Thursday 7<sup>th</sup> May 2020

As we live through this unprecedented time of the pandemic which will certainly become part of the history books, tomorrow we remember a key event of history - **Victory in Europe** day; May 8<sup>th</sup> marked the end of the World War 2.

Attached to my newsletter are posters we have received to share with our school community.

Sadly, the street (playground) celebration with bunting and games planned with our PTFA will not take place with our children, but you are encouraged through the invite attached to watch a live and unique Remembrance Service taking place in St Laurence's church from 3pm. There is a link in the poster attached if you wish to watch this local service.

In addition, class teachers have shared a 'Picture this' resource which helps you to explore the meaning of VE day to your children. This comes with some resources for you to share with your children.

Class teachers have enjoyed chatting to you over the last couple of weeks and it is great to hear and see how well you and your children are doing. Please feel free to share by email any of the 'lockdown' activities you and your family have enjoyed, which you will be happy for us to share on our newsletters and website.

## **A prayer for VE Day- From the Act of Commitment for Peace**

*Please share the prayer with your children.*

Lord God our Father,  
we pledge ourselves to serve you and all humankind, in the cause of peace,  
for the relief of want and suffering,  
and for the praise of your name.  
Guide us by your Spirit;  
give us wisdom;  
give us courage;  
give us hope;  
and keep us faithful now and always.  
Amen.
