

## Maple Class Currículum Newsletter Autumn term (1) 2023

Please find information listed about the curriculum which will be taught throughout this half term.

Subject	Topic this half term	Additional notes
English	ReadingThis half term we will be focusing on the story 'Lost and Found'. We will be looking carefully at the characters, making predictions about events and also gathering new vocabulary from the story.WritingIn writing, we will be focussing on creating sentences including capital letters, full stops and finger spaces with increasing accuracy as well as extended our sentences to include adjectives to create noun phrases. We will carefully say each of our sentences before writing and check our work to make sure it makes sense and included all our writing rules.Phonics Phonics Friends Scheme, with Starlings focusing on Basics 3, Doves starting with Choose to Use spellings for the same sounds and the Owls will start with Switch It sounds- where they may look the same, but they sound different.	Home reading Children can keep a record of the books they are reading in their Monkey themed reading books. Once they have read a whole book they will be given a star in their book. For every ten books they read they will receive a dip in our class prize box. As a class we will be working together to gather rewards for the books we have read. Spellings Please encourage your child to review the spelling lists in their books using the look, cover, write, check method throughout the week. Spellings will be printed and stuck in their books on a Monday morning and they will be tested on Friday. Please can you ensure all Spelling books are back in school on Friday ready for Monday morning.
Maths	Place ValueThis half term we will begin by focussing on recognising and writing numbers up to 20 and 100, counting reliably from 0 or any given number, counting objects accurately to make a total and understanding what each of the numerals are worth in one and two-digit numbers and how to represent them.Addition and Subtraction Nas we become more secure with our numbers, we will move on to solving addition and subtraction number problems using resources and written methods.	Maths at home! Any support at home with the topics outlined here will be invaluable e.g. reinforcing concepts, posing problems for your child to work out, asking them to explain a mathematical term, spotting opportunities to calculate etc. Times Tables Rockstars Each child will be provided with a log in for Times Tables Rockstars shortly. Children will be expected to know their 2,3,5 and 10 times tables by the end of KS1 so this app is a brilliant and fun way to help them learn them.

R.E	Our focus this half term is 'God and	
	Creation and Harvest'. We will be looking	
	at the amazing world that God created	
	understanding how the world was created	
	and how we can look after God's	
	creations. We will also focus on the	
	celebration of Harvest and its importance	
	to Christians and people all over the world.	
Computing	This half term we will be taught by the Jam	
	Coding team, who will be in school on a	
	Wednesday morning to teach the	
	Computing topic of 'Digital Writing'. The	
	children will familiarise themselves with	
	typing on a keyboard as well editing text	
	using varied tools.	
Science	This half-term's topic is <b>'Animals including</b>	Please could you ensure that
	humans'. This unit will be based upon the	the children always keep a
	different animal groups that are in our	pair of wellies in school
	world. We will be looking closely at their	because we often go outside
	structures, features and how we can group	whatever the weather to
	and sort them.	discover the great outdoors.
PSHE	To start the term we will spend some time	
LJUE	getting to know our new classmates and	
	establishing rules and routines together.	
	<b>v</b>	
	We will be focusing on the topic of 'What	
	makes a good friend?', understanding	
	what qualities a good friend has, acting	
	out scenarios and also discussing strategies	
	to help us when we may fall out with our	
	friends.	
Geography	This half term our focus is <b>Geography</b> and	
	we will be looking closely hot and cold	
	countries around the world. This topic will	
	link with our story in English. We will look at	
	the different continents, locating the	
	equator and polar regions on maps. We	
	will look at how their position from the	
	equator affects their climate and weather	
	and also looking at what animals can be	
	found in hot and cold countries.	
Art	Our art work this half term will focus on	
	developing the skills of <b>Textiles</b> . We will look	
	closely at how textiles have been used by	
	artists and we will look at creating our own	
	pieces of art using methods such as dying,	
PF	painting, attaching and decorating.	PE days are <b>Tuesdays</b> and

		PE will commence w/c 11 <sup>th</sup> September.
Music	We will be following the Lancashire Music Scheme <b>Charanga</b> focusing on ' <b>My</b> <b>Musical Heartbeat</b> '. The children will listen to a variety of styles of music, discussing each one using vocabulary such as pulse, rhythm, genre and tempo. The children will learn to sing and perform some of the	
	songs and also play some instruments.	_
