

Coppull St John's C.E. Primary School

5th February 2020

'Live in Harmony with One Another'
Romans 12 v 16

- **Internet safety day – Tuesday 11th February.**

Learning about being safe online continues throughout the year, through all aspects of the curriculum but especially within the PSHE programme and the computing curriculum.

The 'Safer Internet Day' is an opportunity for both school and

home to remind children about what they need to do when they are using the internet or accessing online apps and games. Your child's safety is of paramount importance to us. Please spend some time talking to your child about the potential risks and what they can do to stay safe.

Please see attached advice school has recently received advising parents/ carers about apps children should not be accessing without parental guidance.

A second poster gives advice and guidance on a video sharing social media app called TikTok.

The attached leaflets are great sources of information of what parents/ carers need to know about these apps.
