Sponsored event for Action Aid

A big well done to the school council who planned and organised a very successful sponsored obstacle event for the whole school to raise money for

Alma in Bangladesh. Please send in any monies collected as soon as possible. Your support will make such a difference. Check out our face book page to see class photographs.

Number Day

A brilliant 'Number day' took place with the children all engaged and working collaboratively. Children were tasked with solving number problems which gave them answers to open the lock on a

treasure chest! £62 was also raised for school funds

with children donating and coming dressed as a number! Thank you for your support. Here is just a small selection of photos captured throughout the day. see the school website and face book for more!
