Luke 2:10*

➤ **Rock around the Flock'**

Well, the school hall truly became a recording studio last week over a couple of days with plenty 'takes' and recording with children in their separate bubbles. Huge thanks are extended to Mr & Mrs Tickle for their generous offer of time and talents to record and create the DVD and digital downloads and to Mrs Jones- the music teacher from LCC who worked with all our children on the songs. The performance is truly wonderful and I know you will thoroughly enjoy watching it!

Please be mindful that the DVD and / or digital downloads you have purchased should only be for your own personal use. Please do not share on any social media. The performance will not be shared on our face book or on the school website.

Coppull St John's C.E. Primary School

and return to school for all children has been so successful. It has been wonderful to see all the children back in school, engaged in their learning and loving the enrichment activities which have taken place throughout the term.

Thank you for all your support with the fundraising both for school and as part of our charitable giving. We have heard and responded to our pupil voice through the School Council and the Ethos Club.

The measures put in place to keep you and your children safe in school will continue into the Spring term; the staggered start and finish to the school day, regular washing of hands, use of hand sanitizer and asking you to wear face masks whilst on the playground collecting or dropping off. Thank you for all your continued support.

Wishing all our families and friends much Joy and Peace this Christmas time, from all the Children, Staff and Governors of Coppull St John's.
