

Coppull St John's C.E. Primary School

Monday 26th April 2021

'Grow in the grace and knowledge of our Lord Jesus Christ' 2 Peter 3: v18

Bike ability

A big well done to our year 4 and 5 children who enjoyed and strived to achieve the level 1 and for some level 2 in cycling proficiency. The course leaders commented on how polite, considerate and supportive of each other the children are. Check out our face book page for some photographs of the children in action!

Balance bike ability is coming soon!

The Green Team & the Animal Rescue team joined together to raise awareness of environmental issues. They have raised £153.62 from the sale of the cakes and donations to school. Monies raised will be donated to Makants Greyhound Rescue centre. Many thanks to you for all the cakes donated.

Carr Mill Dam Activity Centre

Thank you for your positive response to the whole school trip taking place later this term. Payment to be made via School Money for the trip. **Please ensure permission slips are also returned.**

Number day

On **Wednesday 5th May** children can come dressed as a number. Activities throughout the day will focus on number operations, working together to solve problems. Activities will also include maths around the world. We are asking for a £1 donation towards school funds. Come dressed as a domino, a dice, a clock or a number itself! The children will have a series of outdoor number challenges to solve and work together to open the treasure box!

Change lives. **For good.**
act:onaid

Action Aid

School have supported the work of Action Aid for many years. We sponsored a child in Rwanda named Irakoze. We are delighted to hear that she is now an adult and working with children

herself. We have now embarked on new sponsorship programme to support Alma who lives in Bangladesh. Life in Kurigram is a daily

challenge with the surrounding rivers flooding their lands and ruining crops which is a main source of income and food to feed the families.

With our support, Action Aid are implementing a range of projects to improve life for families such as Alma's, for example improving flood defences and developing alternative ways to earn a living. Our school council have been busy over the last couple of weeks discussing possible fundraising ideas for us to continue to offer support to Alma.

During the week from the 3rd May, a sponsored obstacle event will be taking place for the whole school. Please look out for further information coming home.

Charitable giving is a big part of our 'courageous advocacy', encouraging children to have an understanding of some of the global issues around the world and consider what action they can take to help make a difference.

Bank Holiday Monday

A reminder that school will be closed on Monday 3rd May.

Summer Term – dates for your diaries.

We always love to have a full diary and offer our children plenty enrichment opportunities. With that in mind, we have a number of events planned for the summer term. However, these are of course all subject to the Government road map and the recovery from the pandemic. We are of course hoping they all can go ahead! (*more details will follow on the individual events nearer to the time*).
