On Tuesday night, fourteen pupils in Year 6 along with other pupils in the Parish of Blessed John Henry Newman received the Sacrament of Confirmation. The children and their parents have completed a spiritual journey towards confirmation over a number of weeks. The service was led by Bishop Marcus who was very impressed with their knowledge and understanding of this Sacrament.

A huge congratulations to all those who were confirmed.

Parent/Carer Comment:

"What a credit all the pupils were on the night, not only to the school but to the parish and the parents. The service was beautiful, lovely and warming."

Stations of the Cross.

With Lent starting after the half term holidays, why not enhance your Lenten journey on Friday 28th February at 6.00pm in Corpus Christi Church with the Stations of the Cross, all families are welcome.

Afterwards pizza and a quiz will be available with the chance to also win an Easter Egg. Everyone is warmly invited, with a special invitation to all the children who have just been confirmed and all the families preparing for their Reconciliation and First Holy Communion Sacraments.

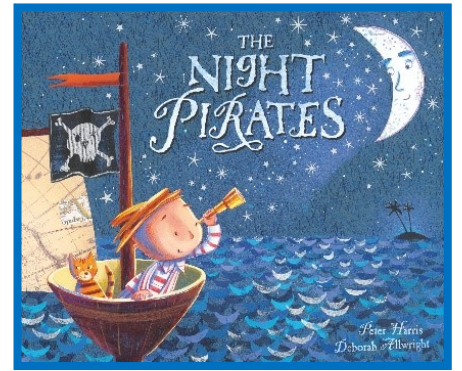

Inspirational Speaker

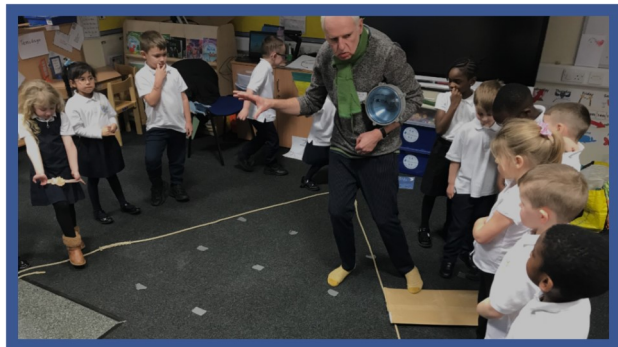

On Wednesday, the girls from Y5, Y5/6 and Y6 were joined by Lois Forsell on the very day it was announced that she is the new coach of Leeds Rhinos Women's team. Lois came to talk to the girls as an inspirational speaker and to tell them about her journey so far. She spoke about aspirations, resilience and well being. The girls were brilliant listeners and asked some probing questions.

Night Pirates Workshop

Year 1 and Year 1/2 had a visit from Anthony from the Leeds Grand Theatre. He turned the classroom into a pirate ship and the children all went to 'Pirate School' to learn how to be pirates. Then they set sail on an adventure on the high seas to find the 'little girl pirates' from the book 'The Night Pirates'. Along the way they encountered a postman as well as Captain Patch and his mum. They all enjoyed their amazing adventure!

THE GREAT FIRE OF LONDON

On Wednesday, Year 2 had a special visitor who helped the children imagine what it was like at the Great Fire of London. They made their own Tudor houses to represent the streets of London and in the afternoon set the street alight.

The children were excited to watch...

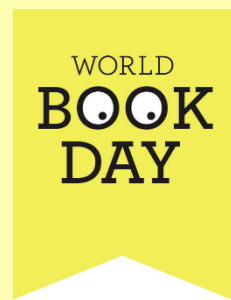

Next, they created the wind by wafting with wood and then watched as the fire spread until it eventually died out. What an incredible experience it was!

Dear Parents/Carers,

To celebrate **World Book Day** on **Thursday 5th March 2020**, we have planned to celebrate it with a 'vocabulary day'. Please could your child come to school dressed as an exciting word! Everyone needs to have the word written clearly and a simple definition somewhere on their outfit. Each class will then make a class dictionary. This will be a great way to expand the children's vocabulary!

For example:

Perplexed- completely baffled/ very puzzled.

Vibrant- bright and striking.

Creative- involving the imagination of original ideas.

Ideas for dressing up can be found if you search for "vocabulary parade" or "adjective day" on Google. For example: question marks stuck on a jumper would be fine for perplexed, wearing pyjamas for the word sleepy, the word shiny could be created using tinfoil etc.

Any questions please ask. We look forward to seeing your creations on World Book Day.

Thank you for your support.

This Safer Internet Day the UK Safer Internet Centre are encouraging everyone to think about identity online, looking at how the internet shapes how they think of themselves and others. This year the Safer Internet Day campaign will be using the hashtag **#freetobe** – exploring all of the things that young people should be free to be, when they are online.

Help us spread the word about Safer Internet Day on social media and join millions of other people in a campaign that trends all day! This is a great opportunity to showcase the great work you and your students do on the day, spread positive messages, and explore what online identity means to you.

You can also use the hashtag **#SaferInternetDay** to talk about the day more generally and to be part of the global celebration.

How to get involved:

1. What do the young people you work with wish they were **#freetobe** online? Use the template to explore aspects of their online identities with them. You can tailor the template to suit the age group that you work with. Why not fill the page with...
 - Words that express who or what someone should be **#freetobe** online (e.g. themselves, creative, funny, supportive).
 - Pictures that illustrate what a better internet could look like.
 - Illustrations of what they want their online identity to look like.
 - Pledges of what they will do to help create an inclusive internet, such as: 'I will post things that I am proud of online' or 'I will support my friends to express themselves online'.
 They can also fill in the **#freetobe** hashtag in any way they like!

2. Take a photo of the templates (with students and educators too!) and share on your organisation's or school's social media accounts with the hashtags **#freetobe** and **#SaferInternetDay**. We would also love to see how you have used the templates to create a display in your setting!
3. Get your friends, family, and colleagues involved!

Any photos shared on Twitter using the **#SaferInternetDay** or **#freetobe** hashtags and tagging **@UK_SIC** may be retweeted by the UK Safer Internet Centre. Only photos sent from official school or organisational Twitter accounts will be retweeted.

Many platforms have a minimum user age of 13, so it is important that these images are shared from your school's or organisation's account. This is a great way to get your students' work seen by a wider audience and to join in the national and international conversation.

Important: Please ensure that you have the appropriate media consent from parents or carers of any children appearing in the photos.

If you are using these templates with young people, please use an official school or organisational Twitter account to share this work, rather than asking the young people to share from their personal accounts.
