Cooking in Class

Chef D. delivered a cooking session in Y5/6 this week. The pupils spoke about healthy lifestyles choices and how they could try alternative food which would make a healthier option when cooking. They worked in groups to cut and grate fruit and vegetables. Then they mixed them together with natural yogurt to create a healthy coleslaw dish. Chef D. complimented the class on their excellent knowledge, behaviour and team work. Well done Year 5/6!

Football Competition

On Tuesday, the after school club football coach took a team to compete in a cluster competition at Temple Learning Academy. They had a brilliant time taking part and thoroughly enjoyed it. The coach said that the children played excellently. Well done !
