

# WELCOME BACK TO SCHOOL!

It has been lovely to welcome back all our pupils and parents.

## New Routines

Firstly, a big thank you to all our parents, carers and pupils who are following our new guidelines to enter and exit school to drop off and collect their children. Your patience and support are really appreciated and each day the new routines have become quicker and smoother, so thank you.

## Reception Class 2020

Our new Reception Class will be starting to join us next week and after a transition with a difference we would like to offer a big welcome to them and their families.

## DATA COLLECTION UPDATES

Do you receive emails and texts from Teachers2Parents? – If not contact the school office.

Have you changed your mobile number or have you moved address recently?

It is even more important now that we have up to date contact details for your child. **At least 2 contacts** details must be given to school for your child.

Please pass this message to any of your friends who may have a new phone and have not informed us. To contact school please call 0113 248 3095

## DINNER MONEY

Please make sure that you are up to date with your child's dinner money on Eduspot – School Money.

We ask that you do not let the balance go over 2 weeks so that we can manage our accounts efficiently.

Please do not hesitate to chat to the Office Staff if you are having any issues with your payments.

Reminder - we need notice if your child is going to swap from school dinners to packed lunches or vice-versa. Text or telephone to let us know and we will let you know when the change can be made. This helps to keep all accounts up to date.

## **Breakfast Club**

The club started on Monday and everyone has settled in well; the new arrangements and equipment are going down well with all the children. If your child has a place, please keep up with payments as this is a very good value for money service and payments need to be up to date.

## **COLLECTIVE WORSHIP** MAKING A DIFFERENCE IN SCHOOLS

## **Collective Worship**

Unfortunately, all our whole school celebrations and gatherings cannot take place at the moment but we will keep you up to date with any changes to this arrangement. We look forward to when we can gather together as a school community. We are exploring innovative ways to use the technology in school to share Whole School Collective Worship with parents, carers and family members.

# Catholic Life of the School

## **Our virtues to live by for the coming few weeks:**

### **Respect , Courtesy and Responsibility**

*“So in everything, do to others  
what you would have them do to you.”*

*Matthew 7:12*

**I am respectful**

**I treat others as I would like to be treated.**

**I show courtesy to everyone as we are all made in God’s image and  
likeness**

Thought for the week

**Respect is caring enough to consider how words and actions impact on others.**

God bless from all the staff team at Corpus Christi Catholic Primary School
