Virtues To Live By - Thankfulness

Our 'Virtues to Live By' for the Autumn term are Respect and Courtesy, **Thankfulness**, Hope and Patience. We are continuing to focus on the virtue of **Thankfulness**. The word thankfulness describes the feeling of being happy or grateful **the feeling of being happy or grateful because of something**.

This week we gathered as a school for our first Mass of the new academic year. The theme was being thankful for the new academic year and the joy of being part of our school family. We also gave thanks for everyone's generosity in raising £160 for the SVP. It was a wonderful way to join together as a school community in prayer and reflection. We would like to thank Fr Pat for his continued support. As always, the children behaved reverently and respectfully throughout Mass. Well done everyone!

ONE BODY, MANY PARTS

Year 2/3 and Year 3 enjoyed an educational visit to the Thackray Medical Museum as part of their History Topic about Florence Nightingale. They met 'Florence Nightingale' and found out interesting facts about her life. We even travelled back in time to 1854 and sailed to Turkey along with Florence as nurses and porters. 'Florence' introduced herself and spoke about her life and her experiences in nursing especially when she worked in Scutari Hospital (Turkey) during the Crimean War. The children also learnt about the terrible conditions people lived in during the Victorian era in Leeds. They are very grateful that they did not have to live in those times!

Skills Builder Award

This year we will be awarding a Skills Builder Award to one child in each class each week.

Research shows that building essential skills supports:

Social and emotional wellbeing

Learning and academic outcomes

Careers and opportunities

Class	Skills Builder Awards	Our focus for this half-term is
Reception 1	Ivy	 <p>This skill is about being able to plan effectively - both to achieve organisational goals and also to set their own personal development targets. Initially, this is about knowing when something is too difficult, and having a sense of what doing well looks like for each individual.</p> <p>The focus is then about working with care and attention, taking pride in success and having a positive approach to new challenges. Building on this, individuals set goals for themselves, informed by an understanding of what is needed, and then need to be able to order and prioritise tasks, secure resources and involve others effectively.</p>
Reception 2	Larry	
Year 1	Mark	
Year 1/2	Amber	
Year 2/3	Shaylan	
Year 3	Jessica	
Year 4	Liam	
Year 5	Arminas	
Year 5/6	Romeo	
Year 6	Neveah	

Well done everyone- keep aiming high!
