ONE BODY, MANY PARTS

Equality Objectives 2022-2023

At Corpus Christi Catholic Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, religion or socio-economic background.

Our approach to equality is based upon the following key objectives:

- All pupils are of equal value.
- We aim to reduce or remove inequalities and barriers that may exist.
- We recognise, respect and celebrate diversity.
- We encourage a positive self-image by valuing uniqueness and individuality.
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
- We ensure equal access to a rich, broad, balanced and relevant curriculum.
- We have the highest expectations for our pupils so all reach the highest level of personal achievement by making expected or better progress.
- We provide regular opportunities in the curriculum to learn about different faiths, countries and cultures and revisit this learning so it is secure in their long-term memory.
- We ensure resources provide positive and non-stereotypical images of all groups to challenge preconceived ideas of gender, ethnic origin, culture, religion or disability.
