ONE BODY, MANY PARTS

2022-2023 Newsletter 28 (5<sup>th</sup> May 2023)

Our 'Virtues to Live By' for the Summer term are:

- Confidence and Determination
- Trust
- Courage
- Discernment/ Wisdom

As our children in Year 6 and Year 2 carry out the Statutory Assessment Tests, we continue to focus on the virtues of confidence and determination.

We are confident and determined when:

- We think positively.
- We are willing to try new things.
- We believe in ourselves.
- We know we are worthwhile whether we succeed or fail.
- We trust that God will support us.
- We keep going even when we find things difficult.

ONE BODY, MANY PARTS

Year 6 SATs take place next week.

Next week is a very important week for our Year 6 pupils and we pray that God will grant each of our Year 6 pupils confidence in their abilities and the determination to persevere and try their best. All the children have all worked hard and deserve to shine next week in all their tests.

All Year 6 children are required to be in school every day. There will be a free breakfast club available for all our Year 6 children to attend from 8:00 am Tuesday-Friday in the school hall.

### To the parents and carers

Thank you in advance to all our parents and carers for your support for your child in the week ahead time. The finish line is in sight so please ensure your child is well rested and in school on time for the Y6 SATs breakfast club for a smooth, calm start to each day.

### To the children

We will pray for all the children and light a candle at Mass. The most important thing to remember is to get a good night's sleep and have confidence in your own abilities. We know you will do your very best and we know you can all succeed!

## What has been happening in school this week

This week in Science, the Year 1 children in Year 1-2 have been looking at plants. The children went out into the school grounds to see if they could find wild plants and garden plants. First, they explored the difference between wild and garden plants and then took pictures of what they found. The Year 2 children have also been looking at the life cycles of a bean plant. They found different plants with the Year 1 children and then ordered the life cycle and described each stage of the cycle.

## King's Coronation Celebrations 2023

Due to Year 6 SATs week, we will be celebrating the coronation of King Charles III on **Friday 19<sup>th</sup> May**.

On this day pupils are invited to come to school wearing **red, white or blue**.

During the day pupils will take part in traditional games and in the afternoon will come together as a school to sing celebratory songs and enjoy an ice cream on the field.

We look forward to coming together as a school to celebrate this special occasion.

### Prayer for The King

O God, to whom every human power is subject,  
grant to your servant His Majesty King Charles  
wisdom in the exercise of his high office,  
so that, always revering you and striving to please you,  
he may constantly secure and preserve  
for the people entrusted to his care  
the freedom that comes from unity and peace.

Through our Lord Jesus Christ, your Son,  
Who lives and reigns with you in the unity of the Holy Spirit  
God, for ever and ever,  
Amen.
