2022-2023 Newsletter 34 (30th June 2023)

Our 'Virtues to Live By' for the Summer term are:

- Confidence and Determination
- Trust
- Courage
- Discernment/ Wisdom

For the next few weeks, we are focusing on **Courage**.

Courage means doing something that needs to be done even when it is hard to do or if we are scared to do it. Even though we are afraid, we overcome our fear and do the right thing. We know we can count on God's help and so we are never alone. Courage is personal bravery in the face of fear but it does not mean taking unnecessary chances just to look brave. Love can give us courage. It gives us strength and helps us to do the right thing without letting our fears stop us.

JOSHUA 1:9

With courage you will dare to take risks,
have the strength to be compassionate
and the wisdom to be humble. Courage is
the foundation of integrity.

Year 2 led a whole school Collective Worship about Courage. They confidently told the Old Testament story of David and Goliath and how David showed everyone how to be brave. The children in Year 2 reverently said prayers and sang beautifully for the whole school and their families and friends. Well done everyone!

On Wednesday this week Reception pupils went to Church to look around and learn about how it is used for worship and who helps look after it, to enhance the RE work they have been learning about in class. Mr Kerrigan, one of the people who look after the Church, kindly showed the pupils around and told them lots of interesting facts about the Church. The pupils and had adults really enjoyed the visit..

This week Reception 2 made ice-cream sundaes with Miss Gilbey from Classroom Kitchen. They practised the bridge and claw method when chopping up the fruit.

Then they carefully layered the fruit with yoghurt and ice-cream to make delicious ice-cream sundaes. The children listened carefully to instructions and waited patiently for everyone to finish before eating them.

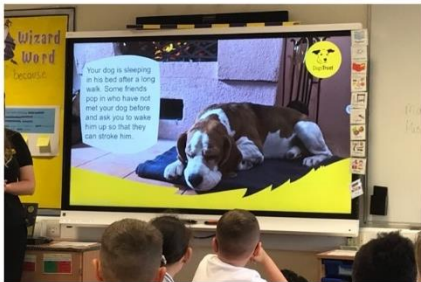

There were plenty of empty cups at the end!

Year 4 had a very informative and interesting workshop this week from Jessica from Dogs Trust about being safe with dogs. The children were told how to treat dogs in certain situations, how to behave around dogs and what to do if a dog runs up to you. Also, we discussed which we thought was the friendliest breed and explained our opinions.

This week the children in Class 1-2, were also visited by Jessica from the Dogs Trust. she brought with her a lovely toy dog for the children to practise their 5 safe dog tips as mentioned above. The children loved her visit and were really engaged.

In History this half term, Year 1, Year 1&2 and Year 2 have been learning about homes in the past. This week they enjoyed a wonderful virtual workshop led by Abbey House Museum to find out about Victorian homes. They were amazed to learn about, how they cleaned their clothes and the dangerous chemicals found in a loaf of bread and Victorian toilets! The children listened carefully and asked some fantastic questions to find out more.

Ronnie May won a competition to decorate a potato like a book character. Her design was inspired by the book Matilda, and was absolutely wonderful. Ronnie-May's fabulous artwork won her a £10 book token!

On Friday, some of our Year 5s were selected to take part in a Dance Spectacular at Headingley Stadium for the Leeds Rhinos V Huddersfield Giants game. The event was planned to raise awareness for MND week with 777 children from 40 schools, who were joined by Rob Burrow's daughters during the performance, all performing a dance on the pitch before the game. The children were brilliant in learning the routine and performing it in time with other schools. It was an incredible event to be a part of.

Leeds United staff came into school to deliver a workshop about making positive choices and correct decisions independently including staying safe online. The children discussed anti-social behaviour and the
