2022-2023 Newsletter 35 (30th June 2023)

Our final 'Virtues to Live By' for the Summer term and the academic year are **Wisdom and Discernment**.

Wisdom

Wisdom does not just mean being clever. It means thinking about our choices, learning from our past experiences and thinking about how we can get even better! It is about thinking about what is right and what is important. It is thinking about how God wants us to live our lives and putting that into practice.

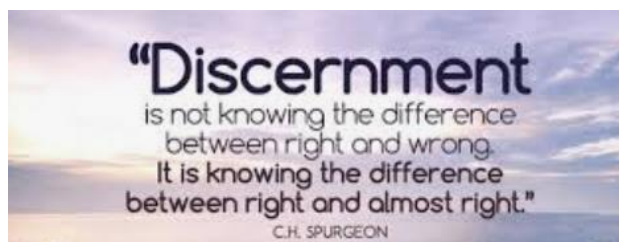

Discernment

A discerning individual is considered to possess wisdom and be of good judgement especially regarding things often overlooked by others. In its simplest definition, discernment is the ability to decide between truth and error, right and wrong.

Signs we are showing **wisdom and discernment**:

- We take time to think about what I must do and ask God and others about it.
- We take time to reflect on our actions.
- We learn from our experiences.
- We can decide, based on what we know, what is the best thing to do.
- We make the most of my gifts and talents.
- We can help others make the right choices.

ONE BODY, MANY PARTS

Year 1 delivered a Collective Worship to the whole school about the miracles of Jesus. In their Collective Worship, they spoke about miracles and how Jesus performed many miracles. Then they retold the story of how Jesus calmed the storm which some children acted out. The message of their Collective Worship was that if we have faith in God and trust him, everything will be alright in the end. It was a lovely reminder that we need to place our faith and trust in God, even if things seem tough or are not going to plan as we need to remember, "This too shall pass."

The children finished their Collective Worship with the song, 'I can see clearly now'. The children sang beautifully and everyone delivered their lines confidently and clearly so that the message was heard by everyone.

Reception 1 - Classroom Kitchen Visit

How do you tempt children to prepare and eat seven different fruits...invite Miss Gilbey from Classroom Kitchen to make fruity ice-cream sundaes! The children tasted all the fruits and said their sundaes were delicious. What a lovely, lovely learning experience this week! Lots of children are now very efficient at using the bridge method to chop their fruit.

Well done everyone-the fruity ice-cream sundaes look delicious!

Reception Sports Day

Reception had a wonderful first Sports Day this week. They had practised lots of sports skills throughout the term and were very well prepared for their team activities. It was so lovely to hear parents cheering for all the children in their races...what a great sense of community spirit! The children showed lots of determination and resilience and joined in to congratulate the winning red team. A special thank you to Mr Wales who led PE lessons over the year and organised and prepared the Sports Day event.

Key Stage 1 Sports Day

Year 1, Year 1/2 and Year 2 had a fantastic afternoon in their Sports Day. All the children put in a fantastic effort and showed wonderful sportsmanship towards each other.

Well done to the Blue Team who scored 98 points making them the overall winning team!

On Monday, some of our KS2 pupils were selected to take part in a cross-country competition at Cardinal Heenan against other schools from the city. The children did not let the weather dampen their spirits and really enjoyed their day out. Despite some finding the distance and conditions difficult, everyone was able to complete the event and even took part in a fun run later in the afternoon! Well done everyone.

On Tuesday, some of our pupils represented our school at the city-wide finals for dodgeball. The team did our school proud with their sportsmanship and the skills they displayed. The team supported each other when things looked difficult and were gracious when things were going well. They managed to finish 3rd in the whole of Leeds, which is a fantastic achievement for everyone involved. Well done everyone!

On Thursday, our Year 5/6 Girls Netball team took part in the finals of the Bishop Roche Tournament. This was the girls' second tournament where they have played as a team together and the improvement was clear to see. The girls played even better than the previous tournament and have worked hard in their own time to work on their passing, movement and finishing. The girls managed to win their games against Holy Family, St Joseph's Hunslet and St Francis. The girls finished 3rd in their tournament. Well done girls!

Achievements outside of school

Teddy sent us this picture of him at a football gala that he entered at the weekend. Congratulations to Teddy as he was a winner!

Well done Teddy.

Milania was very excited to share her news about being awarded a medal for her ballet dancing. She was keen to tell us it is her third medal for dancing. Congratulations Milania!

Milania, your lovely smile shows how happy you were to receive your medal.
