increase
From **September**, school
meal prices will cost
£2.53 per day which is a
total of **£12.65 per week**

Our final 'Virtues to Live By' for the Summer term and the academic year are **Wisdom and Discernment**.

Wisdom

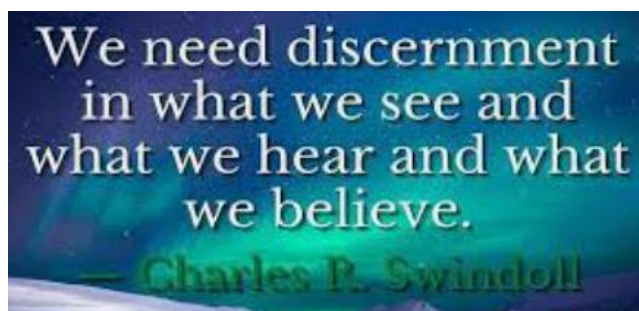

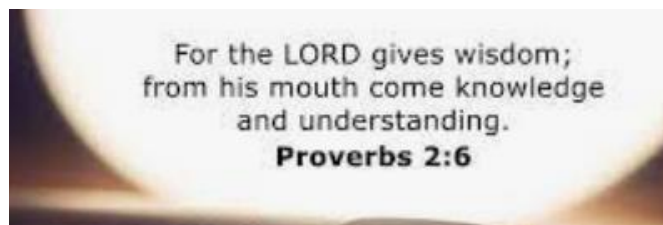

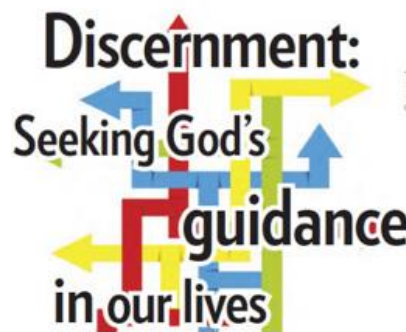

Wisdom does not just mean being clever.

It means thinking about our choices, learning from our past experiences and thinking about how we can get even better! It is about thinking about what is right and what is important. It is thinking about how God wants us to live our lives and putting that into practice.

Discernment

A discerning individual is considered to possess wisdom and be of good judgement especially with regard to things often overlooked by others. In its simplest definition, discernment is the ability to decide between truth and error, right and wrong.

CORPUS CHRISTI CATHOLIC PRIMARY SCHOOL

ONE BODY, MANY PARTS

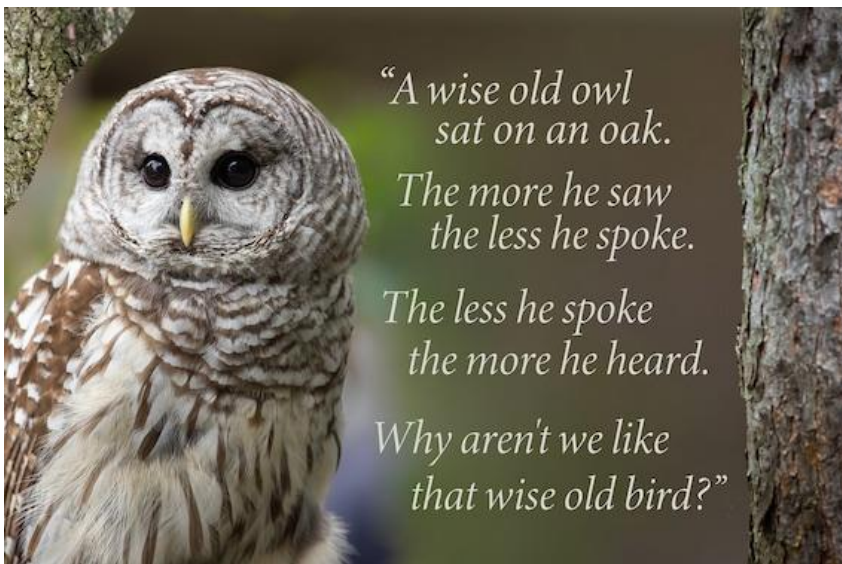

In our whole school Collective Worship, Year 3 shared the parable of **The Wise Man and The Foolish Man**.

Jesus said, "The man who built his house on rock is like someone who listens to my **wise** teaching and builds their life upon it. When storms and troubles come, they will stand firm."

Thank you Year 3!

- W**orship God and put Him first
- I**dentify what is really important and what is not
- S**pot the truth beneath what people say & do
- D**o the right thing, even if this is hard to do
- O**pen up your heart and your mind
- M**ake good choices

ONE BODY, MANY PARTS

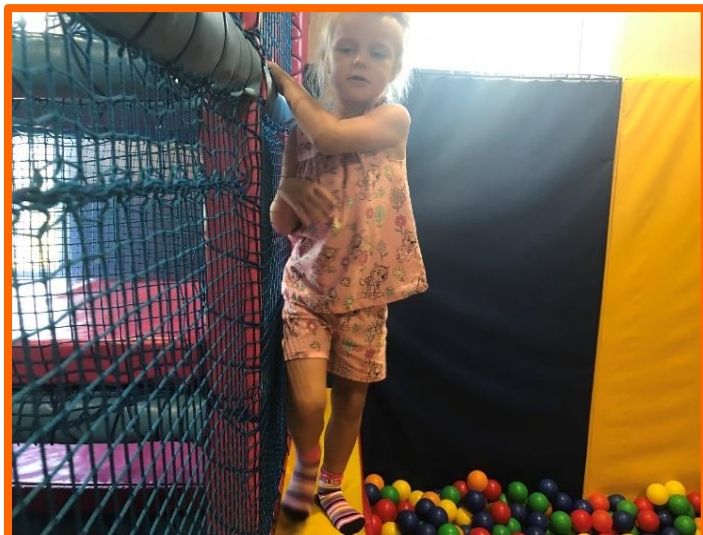

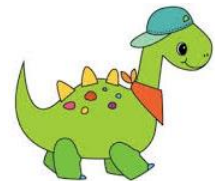

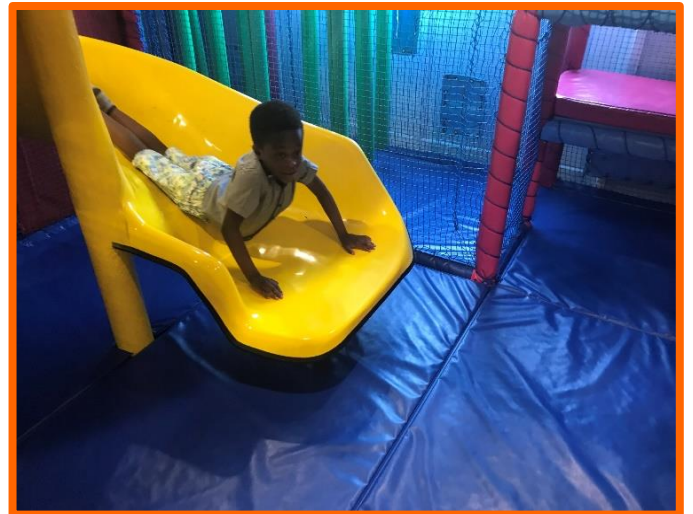

Reception 1 and Reception 2 all had a wonderful day out at Roundhay Park on their first visit out of school. First, they looked around Tropical World and visited the different areas where they saw lots of different animals. The meerkats were their favourite! Then they looked around the flower gardens where they observed lots of different types of flowers. After eating their packed lunches, they explored Roundhay Park. The children stopped underneath some trees to use their different senses. They thought about what they could see, hear and smell. When they got back to school, the adults had a special surprise...an ice-lolly for being so well behaved on their first school trip. They cannot wait for their next trip in Year 1!

A group of our Reception children visited the Vinery Centre and had a wonderful time exploring the soft play facilities. They were very active jumping, climbing and rolling. They showed great teamwork when they had to wait and take turns. The sensory room was very soothing and was a nice space to relax and have an enjoyable trip.

On Wednesday the whole school attended a lovely sports gala event hosted by ACE Clubs. They played football and dodgeball in teams, had a wonderful inflatable slide and also parachute team games.

Here are pictures of Reception enjoying their time with ACE Clubs.

Year Four enjoying their time at the ACE Sports Gala. The children took part in a range of sports including dodgeball, tag rugby and football. They also learnt a dance routine which allowed them to show off their dance moves! Finally, the children had a great time playing on the inflatable assault course.

ONE BODY, MANY PARTS

Year Four were very fortunate to work with Mrs Robinson, our school artist, and have produced stunning pieces of art created in the style of El Anatsui. Firstly, the children created an individual piece by weaving recycled materials. Then they collectively made a wall hanging using recycled materials with Year Three.

As part of their Financial Education, the pupils in Year 2 made chocolate lollies to sell in their classes. They worked out how much the lollies would cost to make and then how much they would need to sell each lolly for to make a profit. Their creations looked so professional and delicious!

After they had sold the lollies, the children then decided to use the profit made to donate to their class charity.

Well done everyone financial education combined with social justice!
Making a positive difference to our world...

The children had another theatre treat on Friday afternoon – an exciting retelling of the story Oliver Twist. There was lots of audience participation and the children thoroughly enjoyed the experience.
