Virtues To Live By

As part of our character education programme, we study twelve virtues throughout the year. Although we have new virtues for this academic year, we have started the school year by focusing on our school code of conduct and the virtues of Respect and Courtesy.

Respect and Courtesy

We are respectful and courteous when

- We show courtesy to everyone as we are all made in God's image and likeness.
- We respect ourselves and know we deserve respect from others.
- We treat everyone how we would like to be treated.
- We use good manners.
- We respect and follow school and classroom rules.
- We speak politely to everyone and listen to others.
- We respect and look after our own and other people's belongings.

Be a reflection of what
you'd like to see in others!
If you want love,
give love,
if you want honesty,
give honesty,
if you want respect,
give respect.
You get in return,
what you give! ~Unknown

Treat people the way you
want to be treated. Talk
to people the way you
want to be talked to.
RESPECT IS EARNED,
NOT GIVEN.

Congratulations Reception 1-Miss Horkan
who are

the only class to reach our school target this week!

There needs to be a real improvement in all classes next week.

This week's attendance is 94% which is well below our school
target of 97% target.

Just a reminder holidays are not allowed in term time and will not be
authorised by the Head Teacher.

Exceptional Circumstances Leave needs to be discussed with Mrs Walsh
before any bookings are made.

This week's attendance has been adversely affected by people booking
holidays during school time without speaking to the Head Teacher first.

What's been happening in school

Miss Horkan and Miss Kemp have really enjoyed meeting all the new children in Reception over the last two weeks. They are very impressed with how the children are settling in, starting to form friendships and beginning to follow school routines. Thank you to all parents who have been very supportive during this busy time. Miss Horkan was delighted when one little girl approached her and asked, "Are you having a happy day?" What a lovely, caring question from one of our young pupils! We cannot wait to see the children flourish during their time at Corpus Christi.

This week in Geography
Year 2 have been learning
all about compasses!

They helped a pirate find his
treasure in class and then
they went outside to use
the compasses in the
playground.

This week Year 4/5 began studying the Stone Age with Mrs Currie. They
were able to find hidden artefacts which gave clues as to what everyday
life would have been like during the Stone Age era.
