Mission- our faith in action

Each week we send the children out with a 'mission' to actively live out their faith in their everyday lives.

In the week ahead, let us speak and act respectfully to everyone because each person is special as we are all made in God's image and likeness.

Be a reflection of what
you'd like to see in others!
If you want love,
give love,
if you want honesty,
give honesty,
if you want respect,
give respect.
You get in return,
what you give! ~Unknown

This week in **Year 2** the children have worked very hard. In Science, they began looking at their new topic 'Keeping Healthy' First, they recalled information they had learnt last year about the groups all animals, including humans, belong. Next, they sorted images of animals into groups according to their diets. The children were able to use the vocabulary carnivore, herbivore and omnivore and explain the meaning of each word.

In their first PE lesson with Mr Wales, the children in **Year 2** were very impressive at applying the skills they were taught. They were excellent at jumping and hopping with amazing listening skills. They children worked in teams to follow instructions and complete challenges.

Mr Wales was very pleased with the children's PE skills and their listening skills.

Year 2/3 had a surprise one day this week when a suitcase was left in the classroom after their break time! The children explored the items that were left in the case and made predictions about who could have left it.

The children soon discovered that it was from the characters in 'Lost and Found' by Oliver Jeffers which is the story the class are going to be looking at over the next few weeks

On Monday, **Year 4** took part in a fantastic DT workshop with Mr Hepp. It was a great way to start the year and the children were able to showcase their skills and knowledge in DT. The children designed and created their own battery powered LED light. The children used skills such as designing, soldering, glueing, sawing and engraving to create their finished lights.

Our fantastic Skills Builders for this week!

9th-13th September 2024

Skills Builder Awards

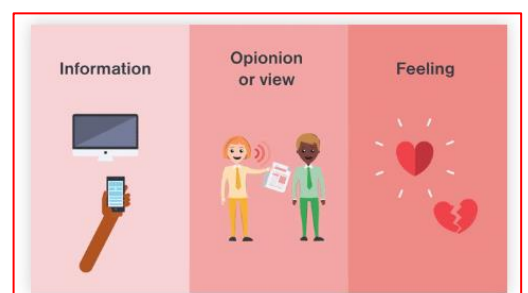

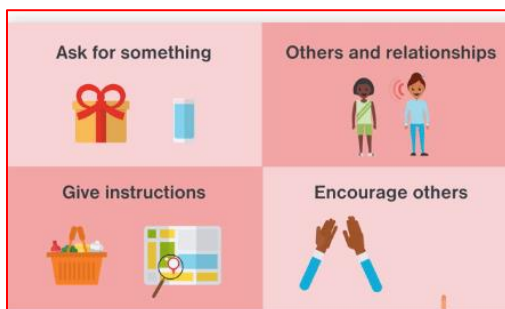

This skill is all about how to communicate effectively with others, being mindful of whether they are talking to adults, friends or peers or other adults and also in different places. Initially this skill focuses on being able to speak clearly – firstly with well known individuals and small groups and then with those who are not known.

The next stage is about being an effective speaker by making points logically, by thinking about what listeners already know and using appropriate language, tone and gesture.

| School years - Year 4, Year 5 & Year 6 | 7:30pm - 8:30pm |

Dear parents,

Places are now available to join a new 12-week football course every Tuesday at Trinity Academy Leeds, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a ball per player for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Bradford City, Sheffield United, Sheffield Wednesday, Manchester United, Liverpool, Leeds United, Everton and Oldham.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.
