COOKERY CLASSES

YEAR 2

Year 2 had a visit from Mr D. and learnt about the importance of eating a balanced diet. The children then learnt how to cut safely using the bridge and claw methods. Working in small groups they created delicious, appetising Mediterranean salads. Some children even tried foods they had never eaten before and realised they liked them!

YEAR 5

Year 5 took part in their first cooking session with Mr D. The children made pasta salad, discussed ways of keeping our mind and bodies healthy. They also looked at how to safely cut fruit and vegetables. Everyone really enjoyed themselves and had a wonderful time tasting the foods. Some pupils asked for the recipes to make at home for their parents!

Gardening Club

Gardening Club were fortunate enough to taste the produce they had grown this week. The turnips that had successfully grown over the summer were prepared by the children and cooked to create a delicious soup. The soup was enjoyed by the club members who were so proud of what they had achieved. Mrs Kilvington, Mrs Currie and Mrs Walsh really enjoyed the soup and have asked for the recipe! We are looking forward to more produce being grown.

Well Done!
