Thankfulness

Shoe Box collection

Despite the difficulties that they face every day, through poverty, illness, disability, or other disadvantages, receiving a shoebox brings such joy to children. Our collection person from Blythswood Care was really pleased with our large collection of shoe boxes and told us our boxes were going to

Hungary. A huge thanks to everyone who sent boxes in or money to support the delivery of the boxes. Your amazing generosity is very much appreciated and will bring great joy to a child on Christmas Day.

Catholic Care Community Market

Lauren from Catholic Care will present a "community market stall" on the front steps of our church every Tuesday at 12.30pm. Any parents or members of our community are free to visit, socially distanced of course. Please contact the school office if you would like to be considered.

This market is free, but you must contact prior to your visit.

Virtual Harvest Festival

Due to COVID restrictions, we have had to rethink our Harvest Festival. This year each class will record something related to Harvest such as a song, hymn, poem or reading.

This will then be available for parents to watch **via Class DOJO**

The Harvest Festival is the time of year that we give something back to the community and so we are asking if anyone can spare any non-perishable items e.g. tins, dry pasta or packet goods please send them into school and we will arrange for distribution to those in need.

We are very busy thinking of creative ways to bring Christmas alive this year in a safe way for all our children. We will continue to keep you updated via our website and newsletters as we journey towards this very special season in the Church's year.
