Welcome Back!

Welcome back to the new school year.

We hope you all had a wonderful holiday and are ready for the new year ahead. On behalf of all the staff, I would like to thank our parents who support the school so well. This week all the children have arrived on time, looking very smart in their new school uniforms and are as usual a real credit to our school and to you.

I know this will continue, and I wish every family a wonderful year at Corpus Christi Catholic Primary. I hope we continue to work in partnership so that every one of our fabulous pupils achieves to the best of their abilities.

Welcome to New Staff and Pupils

We welcome back Miss Midgley who has returned to our school. We also look forward to welcoming our new Reception children and their families next week as they begin their time with us at Corpus Christi Primary. I am sure you will all make everyone feel most welcome.

Thank you

A special thank you to Mr Bradley, Miss Holdsworth and Miss Hamilton who have worked tirelessly over the summer holidays to ensure school is looking its best. We thank them for all their hard work!

Attendance

Please remember that full attendance is expected wherever possible. Children need to be in school on time, every day to reach their full potential. Our school target is 96.7%. Due to Government law, holidays are no longer authorised. Before booking a holiday, you will need to arrange an appointment with myself and Mrs Midgley to discuss the reasons for the request. Then an exceptional leave form must be completed. Medical and dental appointments need to be taken outside school time unless in emergencies. Thank you for your co-operation.

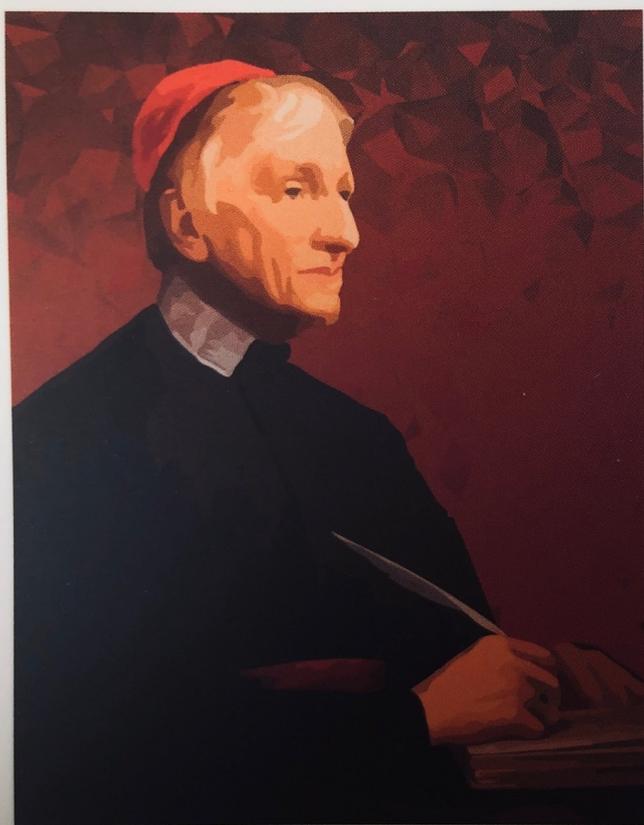

Queries

On the very rare occasion that a parent has questions or concerns please direct them firstly to your child's classteacher who can almost always help you to resolve or answer your queries.

If this is not possible then please see myself or one of the Assistant Headteachers in school - Miss Horkan, Mrs Kilvington and Mr Doyle.

Good luck and God bless us all during the new school year ahead.
