## Collective Worship presented by Year 3.

Last Wednesday, parents and carers were invited to Year 3's Collective Worship about the Chinese New Year. The children celebrated the importance of learning about other cultures and sharing their unique talents with the world.

This Chinese New Year is the year of the rat, symbolising optimism and quick thinking. Year 3 encouraged each class to build their positive thinking skills this week by showing resilience and having an 'I Can' approach to their learning!

**PARENT/CARER COMMENT:**

"It was really well thought assembly as it helps all children understand different cultures."

**PARENT/CARER COMMENT:**

"Lovely Year 3 Collective Worship teaching values and the importance of all. Well done children and teachers."

## Dodgeball Competition

On Tuesday, ten Year 4 pupils took part in a dodgeball competition at Temple Learning Academy. The children were fantastic role models and had a fabulous time winning their first four games. They were excellent ambassadors for the school.

# Sports Festival Visit

This week 10 children from Year 1/2 went to a sports festival at John Charles Centre for Sport.

The children were really good representatives of our school and tried so hard at all the new activities. They enjoyed dancing, yoga, Tagtiv8 and other fun games where they had to work as a team.

Well done everyone!

## Visit from Leeds Museum and Galleries

On Thursday Year 1 and Year 1/2 had a visit from Emily, Rebecca and Milo from the Leeds Museum and Galleries. They showed the children lots of different animals and talked to them about where they lived and what they liked to eat.

# Cookery Class

## Year 3/4

On Thursday, Mr D visited Year 3/4 to make salmon fish fingers. First, the children made breadcrumbs by slicing bread using the claw method, toasting it and breaking it up to make breadcrumbs. Then the children chopped some coriander and mixed it with the breadcrumbs they had made.

They whisked eggs and dipped the salmon pieces into the egg to help the breadcrumbs stick to the salmon. Finally, the children rolled the salmon pieces in the coriander and breadcrumb mix and placed them into the oven to bake.

They were delicious!

# Cookery Class

## Reception

On Thursday, Reception children made delicious healthy flapjack in our cookery, health and nutrition class. They weighed all the ingredients on their own and then carefully mixed them all together. The children's teamwork during cookery class was outstanding and the flapjack tasted amazing!

## Confirmation

Our Year 6 children will be receiving the Sacrament of Confirmation from Bishop Marcus on Tuesday 11th February at 7pm in Corpus Christi Church.

Please be in Church by 6.45pm.

Please keep them in your prayers.
