Policy for managing serial and unreasonable complaints

Corpus Christi Catholic Primary School is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with the school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Corpus Christi Catholic Primary School defines unreasonable complainants as 'those who, because of the frequency or nature of their contacts with the school, hinder our consideration of their or other people's complaints'.

A complaint may be regarded as unreasonable when the person making the complaint: -

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance.
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved.
- refuses to accept that certain issues are not within the scope of a complaints procedure.
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice.
- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales.
- makes unjustified complaints about staff who are trying to deal with the issues and seeks to have them replaced.
- changes the basis of the complaint as the investigation proceeds.
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed).
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education.
- seeks an unrealistic outcome.
- makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.
- uses threats to intimidate.
- uses abusive, offensive or discriminatory language or violence.
- knowingly provides falsified information; or

- publishes unacceptable information on social media or other public forums.

Complainants should limit the numbers of communications with a school while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached. Whenever possible, the head teacher or chair of governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues the head teacher will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact Corpus Christi Catholic Primary School causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after 6 months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from Corpus Christi Catholic Primary School.
