23<sup>rd</sup> July 2021

Dear Parent/Carer,

We have come to the end of what has been yet another challenging academic year. Nobody could have anticipated the lockdown that took place in January 2021. I could not be prouder of our children for their resilience and perseverance during these times. I would like to say thank you to my amazing staff for all their efforts in keeping our children safe and ensuring the continuation of learning. They all embraced the expectations of remote learning remarkably. Thank you also to our governors who work tirelessly behind the scenes. Thank you to all parent/carers who have supported all our protocols and safety measures but most of all to our children who have brought joy and light into our school each and every day. On behalf of myself and the staff, thank you for your generous gifts.

We go into the summer in the hope that the next academic year will be hopefully back to some normality. However as a school we still need to proceed with caution. May I wish you all a relaxing summer, I hope the sun continues to shine for us all, but most of all I hope that we all stay safe.

### **Reception Bubble Closure**

We were very fortunate to only have to close one bubble since we returned to school in March. Due to a positive case in Reception last week, unfortunately both the Reception classes are isolating until Saturday 24th July 2021. This is not the end that we would have wanted for our Reception children's first year in school and we are bitterly disappointed not to see them in person this week. However due to the wonders of technology Miss Horkan, Miss Kemp and Miss Bones were able to say their fond farewells online.

### **Academic Year 2021-2022**

I hope that this next academic year will not be interrupted by any further lockdowns. School will proceed cautiously in September. Once all timings, protocols and procedures have been finalised, we will communicate this to all parent/carers by Friday 3<sup>rd</sup> September 2021. Children will need to wear their full school uniform. We will finalise any other arrangements by the above date. Parent/carers

need to appreciate that we are moving into unknown territory and the guidance for September could still change.

### School uniform

We end the year saying goodbye to our Year 6 children who will go onto high school in September. Our hope for each one of them is that they continue to be true Corpus Christi Primary children. We will miss you but you go with our blessings. Work hard and shine bright. Be the stars we know that you are.

For some of our Year 6 children and their families, it is the end of an era! As a staff, we hope that you will always feel part of the Corpus Christi Catholic Primary family so please keep in touch.

Have a great summer holiday and we look forward to welcoming the children back on Tuesday 7th September 2021.

God Bless and stay safe

Mrs Walsh and
