

2016 Results

We are delighted with our 2016 results across the school. The staff and children worked very hard throughout the year to achieve such wonderful outcomes which are above the national averages.

Early Years Foundation Stage

In the Early Years Foundation Stage, children are assessed against a number of areas of learning and to attain the GLD (Good Level of Development) they need to have achieved the expected standard in reading, writing and mathematics, as well as the three prime areas of learning: personal, social, emotional development; physical development; communication and language.

EYFS (GLD)	Corpus Christi	National	Comparison to National
	71%	69%	+ 2% above
Average Point	35.4	34.4	+ 1 APS

We are delighted that 71% of our pupils attained the GLD, above both Leeds (62.5%) and the national average.

Year 1 Phonics Screening Check

Phonics	Corpus Christi	National 2016	Comparison to National
	89%	81%	+ 8% above National
Average Mark	36	34	+ 2

We are thrilled that 89% of our pupils attained the expected standard in the Phonic Screening Test. This is above both Leeds (76.8% %) and the national average.

The 2016 Key Stages 1 & 2 assessments are the first which assess the new, more challenging National Curriculum which was introduced in 2014. The expectations for pupils have been raised in both key stages and so are not comparable with previous years. Across the board the children have performed amazingly well and we are incredibly proud of both their efforts and their progress. We have exceeded all of the national averages for every subject despite the changes in SATs this year.

Key Stage 1

Children are now either assessed as working towards the expected standard, meeting the expected standard or working at greater depth.

KS1 at Expected (EXS) or better	Corpus Christi	National 2016	Comparison to National
Reading	78%	74%	+ 4% above
Writing	71%	65%	+ 5% above
Maths	82%	73%	+ 9% above

Writing	15.6%	13.3%	+2.3% above
Maths	17.8%	17.8%	Equal to
Combined (RWM)	11%	9%	+ 2% above

We have exceeded Leeds and national results at both expected standard and greater depth in all subjects, except in reading at greater depth where we are below (-3.6%) and mathematics at greater depth where we are in line.

Key Stage 2

In Key Stage 2 the children in Year 6 took new versions of the SATs tests in reading, grammar punctuation and spelling (EGPS), and mathematics in May 2016. There was not a test for writing; this was assessed by the teacher. The tests reflected the new revised standards and higher expectations of the new curriculum.
