### Vocabulary for Learning

**Attacker:** We are considered an 'attacker' when we or our team are in possession of the ball. The aim of the game for the attackers is to score, keep possession and score a goal.

**Defender:** We are considered a 'defender' when we are not in possession of the ball. The aim of the game for the defenders is to prevent the opposition from scoring a goal.

**Space:** is an open area on the pitch that is unoccupied by a defender or the defending team. The team in possession of the ball need to identify open spaces to move into to enable them to create opportunities to score a goal.

**Possession:** is when we have physical control of the ball. This could be when working individually or as part of a team. It is when we have 'possession' that we can create the opportunity to score a goal.

### Sport Specific Vocabulary

**Free Kick:** A free kick is a method of restarting the game following an offence committed by the opposing side outside of the penalty area.

**Penalty:** A penalty kick is a method of restarting the game following an offence committed by the opposing side inside the penalty area.
