

From the Headteachers

Mental Health Awareness Week 13th – 19th May 2024

The theme for this year is, “Movement: Moving more for our mental health”.

At Corpus Christi we encourage all children and staff to be active throughout the day, every day. We often encourage movement breaks during lessons, so that nobody is sitting still for too long! Next week we will highlight this year's theme with children at playtimes, lunchtimes and during PE lessons. Please do take some time to look at the resources on the [link here](#) to understand more about the benefits to our wellbeing by staying active.

Year 6

We wish all children in Year 6 every success for their SATs next week. The children have worked exceptionally hard all year and we thank all the staff who have taught them and given so much time to provide additional tuition and booster classes.

Year 4

We wish Year 4 a great week on their residential school journey to The South London Scout Centre, Dulwich. We look forward to hearing about all their adventures.

Office

RAAC

The RAAC roof on the Trent Road building has now been removed and work is continuing in the classrooms to replace the ceilings, windows and floorings. We will hopefully be able to update you before half term on an estimated completion date and give details of arrangements to ensure the children's timely return to Corpus Christi for the beginning of the Autumn Term. We are very pleased with how well the works have progressed and are pleased that we have encountered very few problems along the way.
