

From the Headteachers

The children across the school celebrated Chinese New Year with many different forms of artwork. Class 6 enjoyed designing and making their snake using recycled paper.

FEBRUARY HALF TERM

The school is closed to pupils next week, Monday 14th February – Friday 18th February.

Mental Health Week

As you may have seen by the signs around the school this week is Children's Mental Health Week.

Each class has been investigating how to support ourselves and each other with our mental health. The theme this year has been Growing Together. The children have looked at how to use our own support bubbles and each class has carried out activities that show how we can grow our emotional wellbeing.

The school has used the fantastic resources from the experts at Place 2 Be a children's mental health charity. (<https://www.place2be.org.uk/about-us/children-s-mental-health-week/>)

The charity also has brilliant resources to support parents and we would strongly encourage you to look at their resources so that you can continue these important conversations at home.

Safer Internet Day 2022

For Safer Internet Day 2022, we had an assembly, with Mr Fenlon, focusing on the theme 'All fun and games? Exploring respect and relationships online.' From gaming and chat to streaming and video, young people are shaping the interactive entertainment spaces they are a part of. Safer Internet Day 2022 celebrates young people's role in creating a safer internet, whether that is whilst gaming and creating content, or interacting with their friends and peers.

School Uniform

Don't forget all children return to school on Monday 21st February. The children will continue to wear their Corpus Christi winter uniform until after the Easter holidays. Please ensure that ALL uniform items are labelled clearly with your child's name, this saves time when school staff search for lost items and return found items to the correct child.

We hope you have a happy and restful half term!

Lambeth Community Health and Wellbeing days

Community health and wellbeing days are taking place across Lambeth this half-term. Running from 12 to 19 February, the events offer locals an opportunity to access health and wellbeing resources closer to home.

Throughout the week, the walk-in events enable individuals and families to speak to professionals regarding their health, wellbeing, and financial support needs. A healthcare professional will be on-hand to answer general health questions and administer free flu vaccinations to those aged 50 and over, or with an underlying health condition. Blood pressure checks for those aged 18+ and Covid-19 testing kits are also available.

If you're aged 12 or over, Covid-19 vaccinations are also available. It is never too late to come forward for your first, second or booster dose.

Further details, including what else is on offer and locations, are available on the [Lambeth Together website](#).

Friday 11th February Valentine's Cake Sale and Competition

Thank you to everyone who made cakes, brought cakes and to the children for buying them back again!

Thank you also to all the parent helpers this afternoon, without your support we would not be able to hold these events. Money raised today will be announced after half term.

The competition cakes were outstanding and judging was extremely difficult.

We will announce the winners and present prizes during assemblies on our return after half term.

The following dates of events are proposed:

Tuesday 1st March – Book Sale

Saturday 26th March – Spring Fair
