International Women's Day

We celebrated International Women's Day this week with an assembly which talked about gender equality .

Wider school Impact Team

Last Friday the School Council Wider Impact Team met with us as they were concerned about the impact of the war in Ukraine. They asked if as a school we could organise a collection to support the work of the Red Cross and Red Crescent who are very concerned by the intensification of fighting in Ukraine, which threatens to bring essential services to a halt, create huge upheaval, loss of life, and separate families. Anything you can donate will help charities to provide healthcare, emotional support and essentials like food and fuel to the people of Ukraine. Donations can be made by logging onto your ParentPay account, and we thank all our families who have donated so far, your generous response this week has been overwhelming, thank you again.

GDPR Permissions

On Monday we had a professional photographer visit the school to take images around the school in assemblies and classrooms to advertise all the activities open to the children during the school day. We are asking parents to update their GDPR permissions via the school app. Details of how to access the Parent Portal app has been emailed to each parent. Please take a moment to log in and view your child's profile, you will be able to consent or decline permissions within the app in relation to the following:

- Child's image or video - in school events which may be viewed on Google pages
- Social Media, including Twitter & Instagram and the school's website

We will never include children's names with images or videos so that they can be easily identified without your consent. A reminder that if permission is not granted your child/ren will be removed from class assembly photographs and any photographs taken during trips.

Please ensure you are up to date.

Dinner money is charged at £2.40 for children in Nursery and Year 3-6.

Charges for

Spring Term 2 (21st Feb – 1st Apr)
£84.00.

Uniform Price Increase

From the summer term, 20th April, there will be a price increase on certain items of school uniform. Many of our items are sold to parents at a lower price that we are charged, but unfortunately manufacturing costs have increased and subsequently we have had to raise the cost of tank tops and blazers and girls' blouses (Year 5 & 6 girls only).

Thank you!

Thank you for helping us raise £1298 so far for our Ukraine appeal. An amazing result thanks to your kind generosity.
