

From the Headteachers

Today we wished both Miss Isabel & Mr Faber very happy birthdays, we hope you both have an enjoyable weekend with your families.

Children enjoying their playtime.

Return to School

It has been a lovely week in school. The children have been delighted to be back and seeing their friends and teachers are pleased to be teaching in the classroom with children completing work in books rather than on-screen. Throughout the week the children have completed assessments in English and maths. The purpose of these assessments is for us to identify specific gaps in the children's learning and understanding. Once we have identified these, class teachers can plan their teaching accordingly to address this. Please try not to worry about your child's individual scores; these assessments are to inform class teachers and their practice. The children's attainment and progress will be discussed with you in more detail during upcoming parents' evenings on Tuesday 27th and Thursday 29th April.

BAFTA

Rocks has had seven nominations, including Best British film at this year's BAFTAs. The story is a coming-of-age drama about inner-city schoolgirls and is an authentic story which has a refreshing production. The cast is populated by teenagers who had not acted before and with a 75 percent female crew. The film was produced by a Corpus Christi parent Ameenah Ayub Allen. She told the BBC after Rocks had won Best British Independent film that it was a celebration of female filmmaking. "We were making this film that really had a truly independent spirit, it had a truly independent methodology. When we were filming, we always thought the film was imbued with the spirit of a teenage girl and it is just phenomenal that it has come here and that the spirit of a teenage girl has won best film, with a completely different way of filmmaking, with all these incredible women." We wish Rocks well when the BAFTAs take place in April. Rocks is now available to stream on Netflix.

We are aware that current restrictions mean our families are not able to join in with us at school events. Our Instagram page will be alternative window into the school and give us a chance to share some of the learning experiences taking place.
