

From the Headteachers

Class 2 performed a wonderful assembly this morning telling us all about how to develop our emotional intelligence.

Coronavirus

Whilst the number of confirmed cases of the new strain of Coronavirus, Covid-19, currently remain relatively low in the UK, this is a situation which has been evolving quickly and will continue to do so. Yesterday the government has announced the country is moving into the 'delay' phase. We are asking for your cooperation with the latest government advice that if your child has a continuous cough or high temperature than normal then they must be at home for seven days and cannot attend school. More information on the NHS website:

<https://www.nhs.uk/conditions/coronavirus-covid-19>

These are unprecedented times and information and guidelines from the government are being updated daily. We will keep you informed of any developments via school texts and email communications. Thank you for your cooperation and ongoing support.
