**Walk to School Week**

Next week is Walk to School Week! We encourage as many children as possible to walk or find a sustainable and healthy way to travel to school. According to Living Streets, a generation ago, 70% of children walked to school, and now it is less than half. By walking (or cycling and scooting), your child can be well on their way to reaching their minimum requirement of 60 minutes of activity per day, before they even make it into school! We understand that this is not possible for all children (for example those who live far away), but we encourage your child to take part by walking as much of the school journey as possible for them. We will be undertaking travel surveys throughout the week and look forward to hearing how many of the children walked to school!

**Parenting Workshop**

We are delighted that Lee Slater will be holding an evening meeting on Tuesday 24<sup>th</sup> May at 7pm for parents on meeting the needs of children and parenting styles. Lee is a Corpus Christi parent, trained therapist and registered member of The British Association of Counsellors and Psychotherapists. We look forward to seeing you and please RSVP to [office@corpus-christi.org.uk](mailto:office@corpus-christi.org.uk). Refreshments will be provided by the parents' association.

**School Journeys**

It has been wonderful to see the children return to residential trips. Year 4 have just returned from Butlins and had a truly amazing time. Year 5 have also just completed their Wildchild Adventure camp. We thank all the staff who have volunteered to take the children away, as these trips cannot take place without them. We also thank Miss Lisa, who organised the travel, Mr and Mrs Breslin, who gave up their time to transport children to and from Butlins and Mrs Cole and Mr Fenlon who led the organisation of these trips. We finally thank parents for the trust you give to the school to enable us to give your child a wonderful experience away.

**Year 6**

We would like to congratulate our Year 6 children on their hard work and dedication towards their SATs which have now been completed. The last SATs which took place were in 2019, and this cohort has worked hard to catch up with their learning since the pandemic caused schools to switch to home learning. They can now enjoy the many enriching activities organised for them, including their residential to PGL after next week. We thank all the staff who have worked with the children in class and in additional sessions to help them to make good progress overall.
