

From The Headteachers

Grenfell Anniversary

Today we commemorate the 2nd anniversary of the Grenfell Fire tragedy and hold those affected in our prayers, that they may continue to heal and get justice for cause.

Next Thursday we will be holding our own **Green4Grenfell day** when we will be asking everyone to wear green and bring in £1, all funds will go towards the playground project. Donations for our playground project can also be made by following this link: <https://www.goldengiving.com/fundraising/CorpusChristiSchoolInfantsPlayground>

The children will also have an assembly on the themes of being a good neighbour and building stronger communities, this is being championed by the **Green4Grenfell** campaign and supported by the DfE and we are delighted to support this as it reinforces our own school Ethos and Values.

We will also be inviting parents to join us at 2pm for some refreshments in our new playground and to help with our ivy weaving, many hands make light work and our lovely green wall needs some TLC! We will finish the day with a lolly sale by our PA.

Today we also welcome back our Year 5's from Bosco Camp and although the weather hasn't been great they have had lots of fun with all the activities arranged. This brings an end to our residential trips for this year and we would like to take this opportunity to thank the children for their excellent behaviour and good humour and our staff for their dedication and flexibility during these trips.

ANNOUNCEMENTS

Windrush Assembly

On Friday 21st June Class 9 will be visiting The Assembly Rooms at Lambeth Town Hall to present their Windrush Assembly following an invitation to the event from Councillor Sonia Winifred. The assembly will start at 10am and all parents of children in Class 9 and family members are invited to attend the presentation. We are really excited at this opportunity to share our work and extend the school's community links.

Twitter

During the recent school residential trips for Years 4, 5 & 6 we have had the opportunity to share with parents and friends the lovely pictures of the children enjoying their trips and the fun activities they have participated in. The school has received many wonderful comments about how Twitter has enabled them to share their children's experiences and keep in touch whilst they are away. We recently sent consent forms home for you to sign and the majority of our parents have agreed for us to share pictures of the children
