

Congratulations to the children who participated this week in the gymnastics competition against other local schools. The children performed very well and won the competition.

## From The Headteachers

### Parent's Survey

Parents play an important role in the success of Corpus Christi School. There are many ways in which you can get involved in the life of the school and support your children's learning. Whether this be attending school events, helping your child at home each night or being present at your child's assemblies you are making a valuable contribution to your child's education. You can help us form a better partnership between the home and our school by answering the questions in the Parent's Survey your child brought home today. Please return the completed survey to the post box outside the School Office or to your child's class teacher.

### School Uniform

Don't forget all children return to school on Monday 25th February. The children will continue to wear their Corpus Christi winter uniform until after the Easter holidays. We hope you have a happy and restful half term.
