

From The Headteachers

Green Wall

The Parents Association last year researched the impact of pollution on our children. Air pollution monitoring showed that Nitrogen Oxide was higher than it should be around the school. So they worked extensively to secure funds from the Greater London Authority and Lambeth to install a Green Wall which will help reduce pollution in our playgrounds. We are delighted to have the green screens installed today and particularly thank Darren, our planting man, and his team for their hard work. The children enjoyed his assembly today and the Green Team will spread the message to the infant children next week. We thank the Mayor of London's office and Lambeth for their support in bringing this project to life, for highlighting the pollution issues and helping us find a solution to this problem. On behalf of the children and staff we would like to thank the driving force behind this project, a group of parents who have worked tirelessly on a range of environmental issues including our anti idling campaign and principally the Green Wall.

Green for Grenfell

A year ago the terrible tragedy of the fire at Grenfell Tower struck, affecting a whole community. The school sent help at the time and parents were amazing with donations of essential items for families affected. We came together today to show our continued support for this community and to celebrate our own community, through this particular community event. All children and staff wore green and we thank everyone who volunteered and supported our planting and social event today.

Class 10	Frazer Hunt
Class 11	Whole of the Class
Class 12	Max Le Goucellec de Schwarz
Class 13	Kay Kouassi
Class 14	Stella-Desiree Aissi

ANNOUNCEMENTS

Walk to School Week

Clean Air day will take place on the 21st June, when thousands of people are taking action to raise awareness of air pollution and start creating cleaner air for everyone. Corpus Christi is getting involved and doing our bit by launching a "Walk to School" week to reduce the amount of cars coming into the community that week. This will culminate into Clean Air Day where we encourage the entire Corpus Christi community to leave the car at home and walk, cycle or scoot to school. We'd love to see as many participants as possible to keep our air clean!

Outstanding Balances

Please ensure you check your Parentpay account regularly and clear any outstanding balances. All residential trips should now be paid and music lessons for the final half term should also be cleared. Please note that your child cannot be considered for an After School Activity Club in the Autumn Term if there are outstanding balances.

Can you Help?

We are looking for parent volunteers who would like to drive the school mini-bus on school trips. Please let the School Office know if you can help or email Miss Lisa on

Attendance 4th June—8th Jun 2018

Class		%
Class	14	100

Class	7	97.4
Class	3	97.2
Class	8	97.2
Class	N	96.0

Congratulations to Class 14 on their 100% attendance.

Corpus Christi Summer Fair Saturday 30th June

Help Wanted!

The Summer Fair is a great day for the Corpus Christi community. Can you help with set-up on Friday 29th June? Or help on the day of the Fair (set-up, clear-up or at the Fair itself)? If so please contact joanneregana@yahoo.co.uk and let me know what you would like to do. Even a couple of hours will be a big help on what should be a fun day for all. And if you have items for the bric-a-brac or book stall please start bringing them to the church porch where there are boxes waiting for your donations.

General Reminders

Breakfast & After School Care Club

Breakfast & After School Club are extremely popular. We are unable to accept additional children. We request that parents make alternative arrangements if an emergency arises.

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! The school nurse has advised parents to use this link for advice on the identification and treatment of head lice. It is the parent's responsibility to check their child's hair regularly and deal with incidences immediately.
