### Ultra-Low Emissions Zone

Many of our parents will already be aware that from Monday 25<sup>th</sup> October 2021, the ULEZ (Ultra-Low Emissions Zone) is expanding from central London to create a single, larger zone up to, but not including, the North Circular Road (A406) and South Circular Road (A205). To find out how to prepare for the ULEZ expansion and if your car is exempt, please [click here](#).

### Black History Month

This month is Black History Month and as a school we are celebrating the enormous contribution Black Britons have made to our vibrant and diverse society.

Miss Thomas and Miss Brown led two fantastic assemblies this week focusing on Black History Month. The theme this year is 'Proud to be,' so both teachers spoke about why they are proud to celebrate Black History Month. The assembly presentations are open for all to view on the class google pages. They have also created a fantastic display in the school foyer of influential black Britons. Our year six Diversity and Inclusion Champions spent a very interesting morning at Brixton Library. Alice Young from the Black Cultural Archives gave a talk about racial challenges from the fifties until today. Both year six classes also visited the archives this week to explore further the Windrush generation and their legacies in Britain today.

### Cake Sale

Thank you to all our parents and children who baked and brought cakes and bought them all back again!! The competition cakes were amazing.

The winners of the competition will be announced at Monday's assembly. Thank you.
