Sports Day

Last Friday the sun shone and we had a fantastic Sports Day as always in Dulwich College. The event was prepared for, weeks before hand, by the school's PE co-ordinator and many school staff were at the grounds from 7.30am to prepare for the event and to make sure it was a great success for the whole school community. We thank all parents who expressed their gratitude for the work the staff had put into the day. Unfortunately however a small number of parents decided that they did not want to accept the judgements of teachers, who were observing children on the finishing line, and were quite vocal about it in regard to their child's places. This was quite disappointing how some parents had forgotten about the spirit of the day and lost all sense of perspective. The school has prided itself on its competitive Sports Day for many years and results have always been accepted in true Corpus Christ fashion with grace by everyone. We hope that this year's Sports Day was a blip, not experienced to this degree before, and true sportsmanship will prevail next year.

CC Picnic in the Park

Last Thursday the whole school from Nursery to Year 6 spent a beautiful day at Brockwell Park. Here they played games before ending the day with a picnic in the early summer sunshine. On return to school the children enjoyed some ice lollies in the playground before setting off for home.
