Healthy School Bronze Award

We are proud to announce that Corpus Christi has recently had its Healthy School Bronze Award renewed for the next two years. Our particular thanks go to Miss Martin and Mrs Jenson for all their hard work on the application. Our sincere thanks go to every member of staff who contributed to the application and of course to our children and their families for the enthusiasm to undertake Healthy School initiatives and co-operation when the children are asked to make healthy life style choices.

After School Activity Clubs

The school is very fortunate to be able to offer the children so many varied activities after school. The demand, as ever, is very high so we ask parents for their patience and understanding if their child does not secure a place in their chosen club. We aim to meet the demand by offering places to children who may not have participated in a particular club during previous terms.
