Parent Governor Elections

Our Parent Governor elections have now closed and the 44 votes cast were counted. We were very fortunate to have a strong field of very skilled candidates. Our new Parent Governors are;

Miranda Sawyer (current parent governor)
Thomas Chesser

We would like to congratulate them on their new roles and look forward to working with them over the next four years.

Birthday Treats

As an accredited healthy school, having achieved the bronze Healthy Schools Award which supports the health and well-being of our pupils, we once again ask parents to consider the type of treats that are sent into school on children's birthdays. We have suggested previously that nonedible items are sent in on birthdays, rather than sweets or treats. We do not want to ban treats, but we need to consider the commitment we made to become a healthy school as well as consideration for the wide range of allergies children have across the school. So please consider nonedible treats, such as inexpensive stationery items, if you want to send a treat in for your child's class.

Playground Project

Please follow the link below to register your votes for our new playground project. You have up to 10 votes! Please share this link with your friends and family and let's try to get as many votes as possible to make this possible. We currently have 3,232 votes and voting finishes this weekend. It only takes 2 minutes to vote and it seems such a shame that we could miss out on the opportunity to get this funding (approx £9,000).
