

From The Headteachers

Year 4 have had a fantastic few days at Butlins in Bognor Regis on our first ever trip there. Year 6 are leaving on Monday for a week long residential trip at a PGL centre on the Isle of Wight. You can follow their adventures by following us on Twitter @ccbrixton

We recently sent out an information leaflet and consent form for use of images of the children across our social media and website, we have had an outstanding response from classes; if you have not been handed the form by your child please ask the office for a replacement copy.

We have sent out a letter with this newsletter explaining the precautions we will be taking in the second half of the summer term regarding sun protection. Please ensure your child has their sun hat in their bag daily. Sun hats can be bought through the uniform shop priced £4.

Next week is Walk to School Week! As a school we are very proud that so many of our children are able to help the environment and make healthy lifestyle choices by making their way to school without the use of a car. Next week, we would like to see how many children travel to school each day of the week by walking, and the Green Team will be making a tally each day in class. We hope that as many parents and carers as possible are able to enjoy the benefits of walking to school! If you would like more information please visit <http://www.livingstreets.org.uk>.

On Sunday 19th May, I shall be participating in a 5k run, as a part of Team Body Blitz, on behalf of the ACLT to raise much needed funds for this leading blood cancer charity.

We want to help the ACLT raise funds to continue with their amazing work to save lives of people needing lifesaving stem cell transplants, blood donations, organ transplants and to help those with blood cancers.
