

From The Headteachers

Scooters and Bicycles

We are pleased that so many children use scooters and bicycles when journeying to and from school. However, Trent Road in particular becomes very congested at the beginning and end of the day and this has proven an issue for some of our local residents when using the road at the same time. We have already spoken to the children about keeping themselves safe and watching the speed in which they travel on their scooters, being careful of roads and other pedestrians. We now ask that children dismount at the corner shop and do not travel on their scooters or bicycles on the pavement of Trent Road, as this compounds the problem when congested at busy times. We also ask if children could use other roads, such as Lambert and Horsford Road, to ease the congestion on Trent Road. We thank you for any help with this matter.

Parent Zone

Coming soon to our school website is "Parent Info", a Parent Zone newsfeed service for parents which is run in collaboration with CEOP (the child protection command of the National Crime Agency). Their website hosts articles and parent guides on everything caused or amplified by the internet. This information is for you to easily access accurate, up to date and informative around online issues.

Online Safety Morning 9-10 am 22nd January

Corpus Christi is taking part in the Parent Zone Resilience programme and on Tuesday 22nd January, we will be hosting a parents session which will give parents an understanding of online risk; what makes some online spaces riskier than others; the methods and messages used by online radical and extreme groups; and how their confident parenting can make the difference. Please attend this meeting if you can. They will also be running a workshop session for Years 4-6 children afterwards.
