

## From The Headteachers

### Parenting Meetings

Last year we were very fortunate to run two parenting workshops on “Nurturing Children” and “Parenting Styles” led by Lee Slater, a Corpus Christi parent and trained therapist as well as registered member of the British Association of Counsellors and Psychotherapists. These sessions were highly rated by the parents and carers who attended and I would encourage those who came to previous sessions to encourage others to take part in the next session on “Attachment”, **Tuesday 13<sup>th</sup> November** in the Upper Hall at 9am. Please add this date to your diaries.

### Overview on “Attachment” Parent meeting

We will look at the 6 stages of growth through attachment, 1= Proximity. 2= sameness. 3= belonging and loyalty. 4= significant and special. 5= love. 6= being known/ psychological intimacy. We will also look at and hopefully recognise the impact our parenting styles may be having on our children's emotional and psychological development and well-being. The goal, as well as being informative, is to get parents having a more open and honest dialogue about parenting. It's not easy but we can all support each other in our discussions and there will be an opportunity to have tea/ coffee afterwards.

### Half Term

We have had a very productive half term and the children are now ready for their half term break. We wish you all a good holiday and look forward to seeing many of our children at half term sports camp. See you all back at school on 29<sup>th</sup> October.
