

From The Headteachers

Cold Weather and School Closures

As it gets colder, we hope that the children wrap up warm and stay dry to ensure ailments are kept at bay. We would encourage parents to get their children to wear wellies/boots to school when it is snowing and bring their school shoes in a plastic bags to change into once here. We always aim to keep the school open as much as possible during adverse weather; we ask parents to assume the school is open unless you receive a text or a Schudio notification from the school office.

Children's Mental Health Week

Next week (4-10 February 2019) is Children's Mental Health Week. The Week was set up by the children's mental health charity Place2Be to shine a spotlight on the importance of children and young people's mental health. This year's theme is Healthy: Inside and Out – we're encouraging everyone to think about how they look after their bodies and minds. To access resources for parents and children please visit their [site](http://www.childrensmentalhealthweek.org.uk) <http://www.childrensmentalhealthweek.org.uk>.

Safer Internet Day Tuesday 5th February

The aim of Safer Internet Day is to 'inspire a national conversation' about using technology responsibly, respectfully, critically and creatively. Coordinated in the UK by the UK Safer Internet Centre the celebration sees hundreds of organisations get involved to help promote the safe, responsible and positive use of digital technology for children and young people. Find out more at www.saferinternetday.org.uk. At school we continually talk to the children about how to be safe online and what to do if they don't feel safe and these are conversations you too should have with your child.
