

This week children enjoyed the sunshine overlooking the Thames whilst on their school trip.

From The Headteachers

School Trips

Corpus Christi children enjoyed a number of outings this week. Y2 went to St Paul's Cathedral, Y3 Transport Museum, Y4 The South London Liberal Synagogue and Y5 to The British Museum. The school believes that outdoor learning makes a major contribution to the acquisition of knowledge and development of skills and is an important part of the children's personal development. In times of evermore alarming news about global warming we are pleased to say that each of the journeys this week took place by public transport which is a great achievement.

Parents' Survey

Can you please complete your Parent Survey as soon as possible and bring it to your child's class teacher or place in the post box outside the school office. You as always make a valuable contribution to your child's education and you can help us form a better partnership between the home and school by completing the survey.

Parenting Workshop

Lee Slater will be hosting another Parenting Workshop on Tuesday 26th March at 9am. This work shop will focus on 'The Hidden Shame of Parenting'.
