From the Headteachers

Brixton library

We've had a great week filled with visits, by different classes, to Brixton library. The children saw an art exhibition, had a tour of the library and each chose two books, which they were able to bring back to school. It was great to see the children making the most of the facilities in the local area and taking their learning outside of the classroom. More class visits are planned in the coming weeks.

We have signed up to the library's **Summer Reading Challenge**, a scheme which has been designed to encourage children to read more books in the summer holidays. Brixton librarian, Caroline, will be visiting school in July to talk to the children about the scheme and how they can take part.

Carrie Burrell

Year 5 and 6 children were treated to an audience with the Carrie Burnell on Wednesday. Carrie entertained the children as she talked about her fantastic book '**Wilder than Midnight**'; a new adventure novel celebrating difference and brimming with tales of friendship, magic and hope. Carrie Burnell is an author, actor, activist and ambassador. Some children recognised Carrie from her time on CBeebies where she broke down barriers, challenged stereotypes and overcame discrimination to become one of the most visible disabled presenters on children's television.
