Community Links

At Corpus Christi School we value the importance of developing strong links between our local, regional and national communities. We do this to involve our pupils in communities besides their own so that they learn how to participate in a practical way in the life and concerns of other neighbourhoods.

This week the school has taken part in a number of events which have strengthened these links further. On Tuesday the Patient Ambassadors visited Kings College Hospital to present artwork created for the children's hospital outpatients areas. On Thursday we remembered the Grenfell Tower tragedy and went 'Green for Grenfell' to help us think about what it means to be part of a community. Today the children in Class 9 performed a Windrush Assembly in Lambeth Assembly Hall to shine a light on the important contribution the Caribbean community has made to our borough.
